

# CFYN Tigershark Swim Team

Dear Tigershark Swimmers,

Registration for the TIGERSHARKS 2009-2010 season will held on **Saturday, September 12, 2009 from 9:00-1:00** at the Riverfront YMCA located at 544 Broad Blvd, Cuyahoga Falls, Ohio 44221.

You should also be prepared to:

- **Meet our coaches and parent board members.**
- **Purchase Swim Suits & other apparel**
- **Sign up for volunteering**

Team suits are required for ALL swimmers. If you are wearing a swim cap, it MUST be a team cap (the CFYN one.) NOTE: each 9 & over swimmer is REQUIRED to have their own fins this year. Additionally, Coach Dale is recommending 9 & over swimmers to purchase their own: mesh bag, kick board and paddles, which will be available for purchase at registration.

A tentative practice schedule is posted on the website [www.tsharkswimming.com](http://www.tsharkswimming.com)

**Parents are required to volunteer to help at two home dual meets plus either the Night at the Races or Invitational. A volunteer sign-up sheet will be at registration. Please bring your calendar.**

## **FEES**

The booster club has been working with the YMCA in an effort to help keep costs down. \$3000 of the profit from hosting the Divisional meet this year has gone to reduce program cost. In addition, the booster club has paid \$6000 of the Natatorium rental fee. We will also be continuing our multiple child discount this year. This is made possible due to all the good work that the families do volunteering and fund raising. Thanks to this effort, despite pool rental fees increasing at both Akron and the Cuyahoga Falls Natatorium the overall program fee has been decreased by \$25 per swimmer this year.

## **USA Swimming**

Swimmers may join the Tiger Sharks USA program and participate in several additional meets during the winter. We are looking at swimming in 4-5 meets in which swimmers pick and pay for their entries just like the Y invitationals. The \$47 fee may be paid at registration and covers the 2009-2010 season. **Additionally, if you were NOT a USA swimmer last year and would like to sign up this year, please bring along a copy of the swimmers birth certificate. This is REQUIRED by USA Swimming.**

If you have any questions, please email us at [boosters@tsharkswimming.com](mailto:boosters@tsharkswimming.com).

Sincerely,

Tigershark Parent Boosters

# CFYN Tigershark Swim Team
